Dear Dick:

Just a short note to thank you for your excellent service, guidance and, above all, the financial results you achieved for us.

When a fire caused heavy damage to my fine arts and antique store, we had no idea as to what to expect next. Having very high quality merchandise, we were very concerned about the damages that had occurred. By letting your firm handle this, it turned out to be one of the best business decisions we made.

As a result of your experience, the meetings, claim preparation, and negotiations resulted in a settlement, we would never have obtained on our own. This also allowed us to run the business which included a very successful "fire sale".

As a result of your excellent work, I have referred customers, clients and friends to you, and highly recommend your firm to anyone unfortunate to have had a loss such as ours.

Sincerely,

Richard B. Merrill
