Dear Dick:

I just received the check in the mail today. I have enclosed a check in the amount of \$1,407.52 which was the amount indicated in your letter.

Anne and I want to express our appreciation for all you have done and for the good service you gave us. If, at any time in the future, I can help in making a recommendation, please feel free to call.

Very truly yours,

Robert L. Quintiliani
