Dear Dale,

In January 1998, as you are aware, our church burned. Subsequent to that date we attained your services in an effort to reach an amicable settlement with our insurance company, as it would relate to the damages to our sanctuary due to the fire. We felt we needed professional assistance to accomplish our goal and after much prayer, and meeting with you, we felt comfortable with the situation.

On behalf of my father, our deacon/trustee board, the entire church family, and myself we would like to thank you for all you have done in the representation of First Free Will Baptist Church. Your hard work, loyalty and determination throughout this entire ordeal are truly appreciated.

Please accept this plaque and gift certificates as tokens of our gratitude to you. We praise God for good Christian businessmen who represent and fight for God's cause and His people.

Once again, thank you for all your services and we pray God's blessings on you and your family

I remain,

Roger Duncan II
