RE: Fire Loss - 03-06-90

Dear Mr. Tutwiler:

Enclosed please find our check in the amount of \$445.28.

At this time I can only think of one question and that is, Is this personal loss tax deductible. If so, do you have the papers we will need to file our return?

Both Judy and I want to thank you for all your help during our adjustment period after the fire. You certainly made everything easier for us and we wanted you to know how much we appreciated your efforts.

Sincerely yours,

*Bill McHugh*
