Tampa, FL 33607

Dear Dale;

I want to thank you for your very useful and polite assistance concerning my accident. I did not know that services like yours existed and was surprised to find that virtually the full recovery of the cost of my vehicle was possible. It was a pleasure to do business with you and I'll be happy to refer anyone in a similar position to you.

Sincerely,

John W. Hadden, M.D.
