

From the desk of . . .

DR. RON C. MANUS

DATE: May 29, 2004

Frank;

Thank you for remembering to send the info on the travel bureau and on the stained glass classes.

Both my wife & I would like to thank you and Mr. Tutwiler for all of your help in standing up for us in a very difficult situation.

We would be happy to have our name placed on your reference list. We will give a "great recommendation" that you so well deserve.

Sincerely,

Dr. & Mrs. R.C. Manus
